ROE(%)	7%		4.6%		▲2.4P		▲0.8P		Profit couldn't grow and couldn't achieve the ROE plan neither.

Review of “CHALLENGE 2017” (Management visions)

Expansion of “strengths”
in the core business
No.1 approval rate among
business persons

- Increase womenswear sales
23.6billion yen⇒30billion yen
- Increase sales of corporate partnership
5.5billion yen⇒10billion yen
- Open 3 “Digital Lab” shops that
make realize the fusion of net and real

Proactive expansion of
business domains
Building a “stable business portfolio”

- Acquiring Minit Asia Pacific Co., Ltd.
(Total Repair Service Business : Sales 12.8billion yen)
- Acquiring WTW Co., Ltd.
(Sundry and interior sales : Sales 1.3Billion yen)

WTW

Management that engages
stakeholders
Implementation of “improvements
for sustainable growth”

- Appropriate response to “Corporate Governance code”
- Increasing number of independent outside directors
(one director ⇒ two directors)
- Carry out IR overseas
- Disclose “Notice of the Convocation Ordinary General
Meeting of Shareholders” earlier
(Before 3 weeks ⇒ 4 weeks)

“CHALLENGE 2017” Review (Results of Business Wear Business Initiatives)

Results and evaluation of measures taken in the Business Wear Business

Business Wear Business Categories	Target	Estimate	Difference	Evaluation	Primary factors
New stores	72 stores	50 stores	-22 stores	△	Availability of excellent properties decreased due to competition, rising construction costs, etc.
Womenswear	32 billion yen	30 billion yen	-2 billion yen	△	Sales grew steadily, although the figure fell slightly short of the target (up 6.4 billion yen within three years).
Dress shirts	102%/year	100.8%/year	-1.2% points/year	△	Low growth despite strengthened product lines such as Non-iron Max
Shoes	105%/year	103.4%/year	-1.6% points/year	△	Implemented a joint project with Bridgestone, an industry-academia project with Waseda University, etc.
EC	4 billion yen	1.9 billion yen	-2.1 billion yen	×	Sales grew steadily, but fell short of the target by a wide margin because we made no progress with M&As, etc.
Inbound	3 billion yen	1.7 billion yen	-1.3 billion yen	×	Increased the number of duty free stores by 198 to total 277, but average spending per customer decreased
Strengthening corporate department	8.5 billion yen	10 billion yen	1.5 billion yen	○	Number of corporate partners increased (227 → 566)
New products	1.2 billion yen	1.3 billion yen	0.1 billion yen	○	Sales of maintenance products such as hangers remained strong.
New businesses	66 stores	18 stores	-48 stores	△	WHITE TSC (womenswear store) and UL Measure's (custom-made suits store)
Overseas	3 billion yen	1.1 billion yen	-1.9 billion yen	×	Steadily launched new stores in and around Shanghai, but sales fell short of the target by a wide margin
Other	-	-	-	△	Launched Digital Lab, a next-generation store that combines online and bricks-and-mortar store features

Core business	<ul style="list-style-type: none"> • Increase womenswear sales • Increase corporate partner sales • Develop business models for womenswear stores and made-to-order stores • Open Digital Lab locations • Expand maintenance products, etc. 	<ul style="list-style-type: none"> • Seek growth of men’s product lines • Promote digitization (stores/sales promotions) • Respond to changes in consumer behavior (customizing, showrooming, sharing, etc.) • Expand business wear product lines, such as uniforms
Non-core businesses	<ul style="list-style-type: none"> • Acquire two companies through M&As <ol style="list-style-type: none"> (1) Total repair service business Minit Asia Pacific Co., Ltd. (2) Sundry and interior sales WTW Corporation • Generate stable profits from the restaurant business 	<ul style="list-style-type: none"> • Restructure the casual wear business (Rebuild Eagle Retailing Corporation) • Expand the total repair service business • Create new businesses that will be next-generation core businesses • Effectively use store assets across Japan (Using in-store and parking spaces, etc.)
Infra-structure development	<ul style="list-style-type: none"> • Ensure compliance with the governance code • Appoint multiple independent outside directors (increase from one to two) • Ensure appropriate disclosure of information such as business plans • Give back to shareholders (total payout ratio of 130%) • Revise personnel systems 	<ul style="list-style-type: none"> • Develop a group management system to expand the scope of business • Work on risk management • Maintain new personnel systems • Enhance productivity (stores, logistics, etc.) • Work on ESG

“CHALLENGE 2017” Review (Cash Flows)

As shown in the cash flow chart, we invested 21.8 billion yen in M&As to expand the scope of our business. Net assets decreased as a result of our strategy to enhance shareholder returns with a total payout ratio target of 130%. We have expended an estimated total of 104.6 billion yen in cash over the last three years. As a result, net cash decreased 43.2 billion yen and the equity ratio dropped nine percentage points (varies depending on when dividends are paid).

Cash Flows (3-year Total)

Historical Net Assets

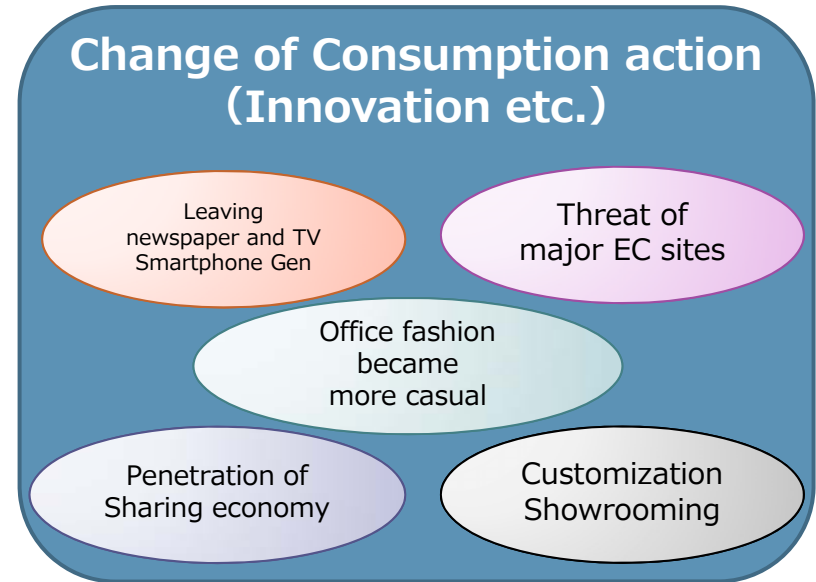

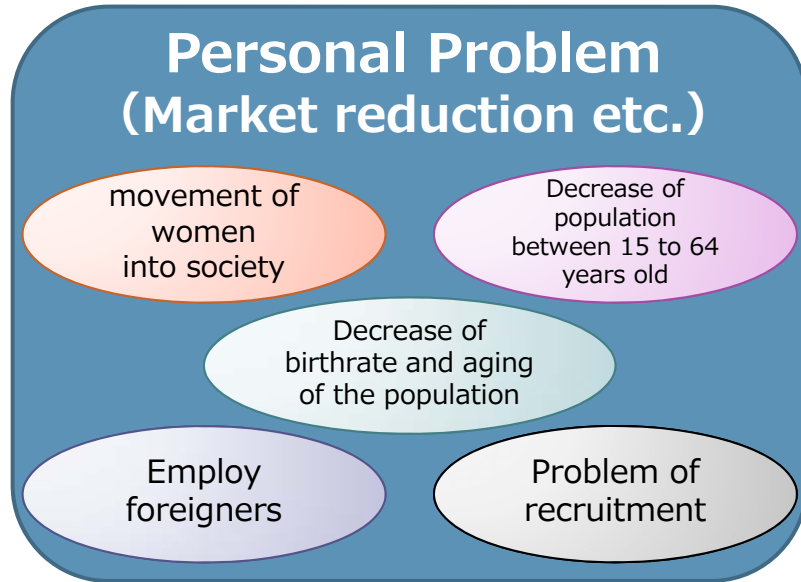

Changes in Consolidated Net Cash and Equity Ratio

(100 million yen)	FY 2014 Results	FY 2017 Estimate	Changes
Cash & deposits	460	565	105
Marketable securities	188	135	▲53
Liquidity in hand	648	700	52
Loans + Bonds	411	896	485
Net cash	237	▲195	▲432
Equity ratio	67.2%	58.2%	▲9.0P

Core Business Strategies (Business Wear Business)

Men's Suits Market Number of Sold Men's Suits Share (Assumption)

Number of domestic sold men's suits in 2017 is going to be 8.3million on assumption. In which the company's share is going to be 26.3%. The number of sold men's suit forecast in FY2020 will be 2.3million and plan to expand its share to 28.5%.

This is Aoyama Trading's original data on the overall domestic market. Our market share is estimated on the basis of statistical data for the quantity of men's suits supplied to the market, looking comprehensively at the number of sold Mens' suits each fiscal year, effects of consumption tax hike, as well as other factors.

Core Business(Business Wear Business)Strategies

《Innovation and Challenge of Business Model》

~ Suits to Business Wear Inside to Outside Analogue to Digital Manual to AI selling to sharing ~

Finance, Capital Strategies and ESG Initiatives

Cash Flow Plan

Allocate a total of 97 billion yen from operating cash flow generated by business operations conducted according to the strategies already described for growth investment and shareholder return (varies depending on when dividends are paid).

Under "CHALLENGE II 2020" we will aim for sustainable growth and invest in personnel and innovations.

Breakdown of personnel/innovation investments (16 billion yen): For enhancing productivity and sustaining growth

Investments	Amount	Purpose
Personnel	5 billion yen	Improve working conditions to improve motivation and retention, revise evaluation system, and ensure training
IT systems	5 billion yen	Digitize operations, develop systems infrastructure, enhance operational efficiency, etc.
Other	6 billion yen	Restructure logistics infrastructure in line with expanding EC, corporate, Digital Lab, sharing, as well as other businesses, and work on ESG
Total	16 billion yen	

We should be able to fully maintain a stable financial foundation even after financing and partial spending of cash and deposits for the above-mentioned investment purposes.

Shareholder Return

We will use the following strategy as we continue to work on improving ROE.

	CHALLENGE 2017	CHALLENGE II 2020
Consolidated total return ratio	130% target	100% target
Dividend payout ratio	70% target (stable dividend of 100 yen)	70% target (stable dividend of 100 yen)
Purchase of treasury shares	Buy back shares valued at an amount equal to 130% of consolidated net income minus dividends	Buy back shares valued at an amount equal to consolidated net income minus dividends

(100 million yen)

ESG Initiatives

Guided by our mission to work for working people, we will respond to the expectations of our stakeholders as we move ahead with the following ESG initiatives (to be published on our corporate website) with a view to creating a sustainable society.

Category	Sub-category	Measures taken so far	Measures to be implemented
Environmental Issues (E)	Climate change mitigation	<ol style="list-style-type: none"> 1. Implemented the "eco 5 minutes" energy conservation initiative at all store locations 2. Switched to LED lights at locations in Japan (cutting about 15,000 t CO₂) 	Environmental initiatives <ol style="list-style-type: none"> 1. Switch to LED lights at more store locations 2. Develop recycled products using trade-in items 3. Develop environmentally friendly products
	Waste management	<ol style="list-style-type: none"> 1. Reduced waste through the suit trade-in program 2. Reduced usage of packing materials by transporting garments on hangers
